The membership administration of the association is done with electronic data processing. For this purpose, the data of the members are stored electronically in compliance with the provisions of the Federal Data Protection Act. The club management publishes special events in the life of the sports club, in particular the implementation of events and the results of competitions. Personal data, texts, images and films can be published. The individual member can object to such publication by submitting a written objection to the board at any time. In this case, there will be no further publication in relation to the member until the objection is revoked. With my signature I accept the statutes of the Shotokan Kyokai Berlin e.V (statute of the club download: https://www.shotokan-berlin.de/wp-content/uploads/2022/01/Satzung-Shotokan-Kyokai-Berlin_2021.pdf)

The contribution payment is to be made monthly according to the statutes. Official proof from school or university etc. must be submitted for pupils, students, trainees etc. Official proof is provided unsolicited for each semester or school year. If proof is not provided, the membership status will be automatically changed to "membership - active standard".
